If the property described below, in apparent good order, except as noted (contents of packages unknown), marked consigned and delivered as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination, it is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect on the date hereof, if this is a rail-water shipment, or (2) if the applicable motor carrier classification or tariff if this is a major Carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of said bill of lading, set forth in the classification or tariff which governs the transport of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and the assigned, if the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is a carrier's or shipper's weight. NOTE: Where the rate is dependent on value, the Shippers are required to state specifically in writing the agreed or declared value of the property. Items received by Carrier from ABB Motors and Mechanical Inc. are subject to and lawfully tied tariffs in effect on the date of issue of the bill of lading.
